

Sending Terms and Conditions

Quick Reference Guide

System	Salesforce/AdobeSign
Audience	Local Market Salespeople

✓ Before You Begin

- Verify customer is purchasing rate-card products.
- Check that no Custom Agreement, Standard Agreement or I/O is being used.
- Identify the customer signing contact.

Quick Steps

- ☐ **Step 1:** Open the Salesforce Account
- ☐ **Step 2:** Click *Send Agreement*
- ☐ **Step 3:** Select *Terms and Conditions Only*
- ☐ **Step 4:** Select or Create Customer Signing Contact
- ☐ **Step 5:** Select Applicable Products
- ☐ **Step 6:** Choose Online or PDF Delivery
- ☐ **Step 7:** Review Agreement
- ☐ **Step 8:** Send Terms and Conditions

Important Reminders

- The signer does not need to be the billing contact. It's the person with the quill pen.
- Third-Party Media products require Finance/Legal review.
- Once sent, agreements cannot be edited. To change, send a new agreement.

Common Issues

Problem	Resolution
Customer signer cannot proceed past <i>Next</i>	Signer must click on the <i>General Terms and Conditions</i> link and read agreement
Agreement remains at draft	Verify AdobeSign permissions
Incorrect agreement sent	Create and send a new agreement
