

Contracts Without Chaos! How To Send Agreements

- 1) Click Send Agreement on the Salesforce Account
- 2) Select the Agreement Type. Not sure which one? Here's help:

Custom Agreement: Use this if the agreement has:

- ✓ Off Rate Card Pricing
- ✓ Custom rates, custom margins, DMS under minimum terms/spend
- ✓ Agreement Custom FA

Rate Card Agreement: Use this if the agreement has:

- ✓ Rate Card Pricing **AND** Spend Level Discounts/Frequency Discounts/Classified Business Directory
- ✓ Agreement Rate Card FA

Terms and Conditions: Use this if:

- ✓ You are not sending a rate card/custom contract or I/O
- ✓ Rate Card Pricing
- ✓ T&C is required for customers not on an I/O or rate card/custom agreement for products purchased

- 3) Choose or add the Client Contract Signer
- 4) Select or add the FA if needed for Custom/Rate Card Contracts
- 5) Build the Agreement (dates, name, amount, notes)
- 6) Select Addendums for products purchased
- 7) Preview
- 8) Send

Legal Review Agreement: Use this if the agreement must be legally reviewed.

- ✓ **Red-lined Agreement:** For a contested/red-lined Rate Card/Custom Agreement
- ✓ **Terms and Conditions with Changes:** Customer changed T&Cs
- ✓ **Client Provided Agreement:** Customer provided own contract
- ✓ **Insertion Order with Legal Terms:** Customer provided own I/O with legal terms
- ✓ **Completed Agreement:** A complete agreement needs to be uploaded

Insertion Order (I/O):

- ✓ Provides what is built in Salesforce (Add Contract Revenue) or AdPoint
- ✓ This is not an invoice or a contract. It provides the Terms and Conditions for the I/O time-period only

Contract Upload: Used to upload a contract signed outside of system

- 3) Select the Option (refer to the definitions above)
- 4) Select the Contract Details (only needed for certain options)
- 5) Add Other Details (advertising contact, type, amount, start/end)
- 6) Upload Agreement
- 7) If Legal Review Agreement, download and attach to Salesforce account after Legal approval
