Resolution

Log an Employee Provisioning (EP) ticket through ServiceDesk to request access to AdobeSign. Alert your manager that he/she will have to approve the request.

Workaround

The salesperson's manager should be able to send the agreement in the interim if he/she has AdobeSign permissions.

Additional Information

Note, the PIQ team has unique access to AdobeSign. If logging an EP for a PIQ salesperson, be sure to select the AdobeSign (PIQ) option.
